Defendant Tyrone Blackmore is currently under pretrial supervision in the Northern District of California and is awaiting sentencing. As a condition of his release, Mr. Blackmore's travel is restricted to the Northern District and he is required to abide by a 10:00 p.m. curfew. On May 5th, 2006, Mr. Blackmore's paternal relatives will be holding a gathering in Stockton, California. Mr. Blackmore has requested permission to travel to Stockton with his father to attend the family gathering, and to exceed his curfew on that evening (and possibly spend the night in Stockton). The Pretrial Services Agency has been contacted and has no objection to the proposed travel. Therefore, the parties hereby stipulate and agree that Mr. Blackmore's terms and conditions of pretrial release should be modified to permit him to travel to Stockton for this family gathering, leaving on May 5th and returning home no later than May 6th, 2006, provided that Mr. Blackmore

1 provide the Pretrial Services Agency with an itinerary that identifies where he will be staying and
2 how he can be reached.
